**Change in Departures :** This is a reminder that all unforeseen changes in departures must be made by contacting the office before 1 p.m. Thank you for your collaboration.

**Genius hour:** On January 15th, the students will participate in their first Genius Hour Period. During this period, students will be starting their research. If they are in need of additional material to complete the project, we will be in contact with you.

**Theme day - Dress your best:** We will begin the year in style on January 13th. We ask that all students and staff who wish to participate, come to school dressed in the best outfit.

**Extracurricular Sewing Group :** Thanks to the Labo Créatif, the school has received two sewing machines and a few other tools to help our students learn how to sew. This program will be open for students from grades 4-12 who wish to participate. The group will be divided grade 4-6 and 7-12 to avoid mixing the cohorts. Our goal is to create library bags for each student. If you have any supplies you would like to donate, material, needles, thread or anything you think could help this program, please send it to school with your child. We will isolate the material before using it.

**Friday Hat Day :** Once again this year, our school will have a grade 12 graduate. On Fridays, students can wear a hat to show their support and excitement for our graduating student. This is not a fund raiser, it is a spirit raiser! Therefore, no money is required.
