Dear families of École des Grands-Vents,

It is with great pleasure that the École des Grands-Vents team welcomes you to our school community. We just got through this special academic year together and are very happy to have been able to welcome our students to school for most of the year. Well done everyone for a great school year.

At the time of writing this memo, we still do not have any details about the start of the 2021 school year, but we can assure you that a caring and competent team will welcome your child with open arms to support them in their learning.

In the menu to your left, you will see the names of the staff members who will be part of the EGV team in 2021-2022. The Conseil scolaire francophone provincial is currently recruiting to fill vacant positions. The menu also gives you an overview of the class division for 2021-2022.

I wish you a safe and healthy summer with your loved ones.

Kevin Hautcoeur
