Statement of Management Responsibility

The consolidated financial statements of Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador (the "School District") have been prepared by management in accordance with Canadian Public Sector Accounting Standards and provincial reporting legislation and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the consolidated financial statements and related schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the consolidated financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Directors of the School District is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a periodic basis and external audited financial statements yearly.

The external auditors, MNP LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of the School District and meet when required.

The accompanying independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

On behalf of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador:

Michael Clair

Signature of the Chairperson of the Board - Mr. Michael Clair

INDEPENDENT AUDITOR'S REPORT

To the Members and Board of Directors of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador

Opinion

We have audited the accompanying consolidated financial statements of Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador, which comprise the statement of financial position as at June 30, 2022 and the consolidated statements of operations, and accumulated surplus, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador as at June 30, 2022, and the consolidated results of its operations and consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards (PSAS).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador in accordance with ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters

Management is responsible for the other information, comprising the annual report, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL
DE TERRE-NEUVE-ET-LABRADOR
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

1. Nature of Operations

The Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador (CSFP or “the District”) is the sole public Francophone school board in Newfoundland and Labrador. According to Article 23 of the Canadian Charter of Rights and Freedoms, the Board provides French-first-language education to the children of eligible right-holders. The Board services the entire province of Newfoundland and Labrador and it possesses the same authority as the English public school board of the province, but with an extra mandate to promote the French language and culture.

2. Significant Accounting Policies

The accompanying consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for the public sector which are represented by standards issued by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada (CPA Canada).

A summary of significant accounting policies adopted by the Board is as follows:

- a) These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the District. This reporting entity comprises all organizations controlled by the District and accountable to the administration and their own financial affairs and resources. The entities being consolidated consist of the district and the schools it controls.
- b) Cash and cash equivalent include balances with banks and short-term investments. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.
- c) Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.
- d) The District's main source of funding is derived from the Government of Newfoundland and Labrador Department of Education (the Department). The Department provides funding for operations, pupil transportation and teacher salaries. Funding for capital expenditures and major alterations or improvements is provided by the Department of Transportation and Infrastructure. Government transfers with stipulations restricting their use are recognized as revenue when the transfer is authorized, and the eligibility criteria are met. When the transfer gives rise to an obligation that constitutes a liability, the transfer is recognized when the liability is settled. Interest income is recognized as it is earned.
- e) Tangible capital asset additions are recorded at full cost and are amortized over their useful lives. Tangible capital asset are not amortized until they are put into use.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL
DE TERRE-NEUVE-ET-LABRADOR
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

- f) Capital assets are amortized using the straight line method based on the following number of years:
- | | |
|------------------------|----------|
| School Buildings | 40 years |
| Furniture | 10 years |
| Equipment | 10 years |
| Computers | 4 years |
| Leasehold improvements | 5 years |
- g) The School Board has acquired, in certain cases, land for its buildings without cost. In other cases, the Board obtained authorization to use the land without ownership, as long as the properties are used for educational purposes. Finally, in cases where the land is Board property and value determinations were not possible, a nominal value was recorded.
- h) The Government of Newfoundland and Labrador processes the payrolls and remits the source deductions directly to the appropriate agencies for all principals, teachers, student assistants, board management and program specialists. The amounts recorded in the consolidated financial statements represent gross salaries and employee benefits as reported by the Department for the year.
- i) All permanent employees of the Board are covered by pension plans administered by the Government of Newfoundland and Labrador. Contributions to these plans are required from both the employee and the Board. Post retirement obligations to employees are the responsibility of the Government of Newfoundland and Labrador. For pensions, employer contributions are recognized in the accounts on a current basis.
- j) Employees of the CSFP are entitled to sick pay benefits which accumulate but do not vest. In accordance with Public Sector Accounting Standards for post-employment benefits and compensated balances, the CSFP recognizes the liability in the period in which the employee renders service. The obligation is actuarially determined using assumptions based on management's best estimates of the probability of use of accrued sick leave, future salary and wage changes, employee age, the probability of departure, retirement age, the discount rate and other factors. Discount rates are based on the Province's long-term borrowing rate. Actuarial gains and losses are recognized over time, per the actuarial calculation, through the consolidated statement of operations.
- k) The District conducts its business through six reportable segments: Administration, Instructional, Operations and Maintenance, Transportation, Ancillary Services and Pupil Services. These operating segments are established by senior management to facilitate the achievement of the District objectives, to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represents both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL
DE TERRE-NEUVE-ET-LABRADOR
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements. Inter-segment transfers are recorded at their exchange amount.

- l) In preparing the consolidated financial statements for the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from these estimates.

Examples of significant estimates include:

- the liability for employee future benefits
- providing for amortization of tangible capital assets
- the estimated useful lives of tangible capital assets

- m) Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the service potential may not be recoverable.

- n) The District accounts for an asset retirement obligation in the period during which a legal obligation associated with the retirement of the tangible capital asset is incurred and when a reasonable estimate of this amount can be made. The asset retirement obligation is initially measured at the best estimate of the expenditure required to settle the present obligation at the consolidated balance sheet date. A corresponding amount is added to the carrying amount of the related asset and is then amortized over its useful life.

At each consolidated balance sheet date, the asset retirement obligation is reviewed and adjusted to reflect the current best estimate of the liability. Such adjustments may result from changes in the assumptions used to estimate the undiscounted cash flows required to settle the obligation, including changes in estimated probabilities, amounts and timing of settlement, as well as changes in the legal requirements of the obligation and in the discount rate. These changes are recognized as an increase or decrease in the carrying amount of the asset retirement obligation, with a corresponding adjustment to the carrying amount of the related asset.

- o) Effective July 1, 2022 the School Board will be required to adopt PS3400 Revenue. Under the standard, transactions that include performance obligations are identified as "exchange contracts" while those that do not have performance obligations are identified as "non-exchange contracts". Revenues from exchange contracts are to be recognized when the underlying performance obligations have been satisfied while revenues from non-exchange contracts are to be recognized when received or receivable. This standard may be applied retroactively or prospectively and early adoption is permitted. The impact of adopting this standard on the School Board's financial results cannot be determined at this time.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL
DE TERRE-NEUVE-ET-LABRADOR
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

3. Change in Accounting Policy

Asset retirement obligations

Effective July 1, 2021, the organization adopted Section 3280 of the Public Sector Accountings Standards handbook - *Asset Retirement Obligations*. This new standard provides guidance over the reporting of legal obligations associated with the retirement of long-lived tangible capital assets that are either currently in productive use or not longer in productive use and controlled by the organization, and costs associated with the retirement of these assets.

The standard is applicable for year ends beginning on or after April 1, 2022, however the organization has early adopted and is using the modified retroactive application with restatement of prior period comparative amounts. The impact on the organization's consolidated financial statements is summarized as follows:

	Previously Stated June 30, 2021	Increase (Decrease)	Restated June 30, 2021
Tangible Capital Assets	7,574,065	455,718	8,029,783
Asset Retirement Obligation	-	4,501,898	4,501,898
Amortization expense	420,404	44,387	464,791
Accumulated surplus - beginning	7,205,183	(4,001,783)	3,203,400

4. Financial Instruments

The Board's financial instruments consist of bank, short term investments, accounts receivable, accounts payable and accruals, amounts due to the Government of Newfoundland and Labrador, summer pay liability and repayable deposits. It is management's opinion that the Board is not exposed to significant interest rate, currency or credit risk arising from these financial instruments.

The carrying value of the Board's financial instruments approximate fair values.

5. Summer Pay Liability

The Board records a summer pay liability for teachers in the District. This liability relates to teacher's salaries earned during the school year but not fully paid to teachers until subsequent to June 30. Accordingly, the Board has recorded teachers' vacation pay receivable of \$686,797 in Accounts Receivable (2021 - \$693,296).

6. Insurance Subsidy

The cost of insuring school properties is incurred by the Provincial Government and no amount has been recorded in these consolidated financial statements to reflect this cost.

7. Repayable Deposits

The School Board collects performance bonds from suppliers for the provision of multi-year heating, ventilation and air conditioning maintenance contracts as well as for multi-year electrical, mechanical and snow clearing contracts. The balance as at June 30, 2022 is \$13,000 (2021 - \$15,882):.

YEAR ENDED JUNE 30, 2022**

13. Employee Future Benefits - Other

Paid leave for executive staff and vacation pay benefits payable for Board office administration staff and janitorial staff are recorded in accordance with the benefit rates applicable to these groups.

Other employee future benefits is comprised of the following:

	<u>2022</u>	<u>2021</u>
Executive staff paid leave	\$ 224,146	\$ 233,037
Employee vacation pay	<u>36,964</u>	<u>56,860</u>
	<u>\$ 261,110</u>	<u>\$ 289,897</u>

14. Reserve

In accordance with leases with the tenants of the Centre scolaire et communautaire des Grand-Vents in St. John's, the CSFP maintains a reserve constituted of funds that management has designated as restricted for the future purchase of equipment and major renovations to this building. This reserve was eliminated in 2022.

15. Related party transactions

The CSFP is related through common ownership to all Province of Newfoundland and Labrador ministries, agencies, school districts, health authorities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

16. Budget figures

Budget figures included in the consolidated financial statements were approved by the Board through the adoption of the annual budget on November 27, 2021.

17. Asset retirement obligations

The District's asset retirement obligations relates to asbestos and other contaminants in buildings that consist mainly of schools. The buildings have no set retirement date, however the useful lives of these buildings is 40 years, and the asset retirement obligations will be amortized straight-line over the remaining useful lives.

The liability estimate was based on research conducted by a third party. With regards to the buildings, the research found that the average cost to remove asbestos per square foot varied significantly based on when the buildings were constructed. As a result, the buildings were grouped based on the year of construction, and a cost applied based on the third party research.

The District has not escalated or discounted the costs associated with the asset retirement obligation as the date of retirement of each school is unknown. If the District had escalated and discounted the asset retirement obligations based on the remaining useful lives of the assets, the difference was found to be immaterial.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022**

18. Deferred revenue

Deferred revenue represents funding designated for the specific purposes for which the revenue recognition criteria have not been met. The funding is deferred and included in revenue when authorized and all eligibility criteria have been met, provided there are no stipulations that give rise to a liability. Changes in the funding deferred to future periods are as follows:.

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 568,728	\$ 581,524
Less amounts recognized as revenue in year	\$ (11,650,133)	\$ (11,069,895)
Add amounts funded during the year	<u>11,684,924</u>	<u>11,057,099</u>
